

1. Acceder al sitio <https://www.rollapp.com/app/pseint>
2. Bajar hasta ver la opción PSe Int “Launch Online”

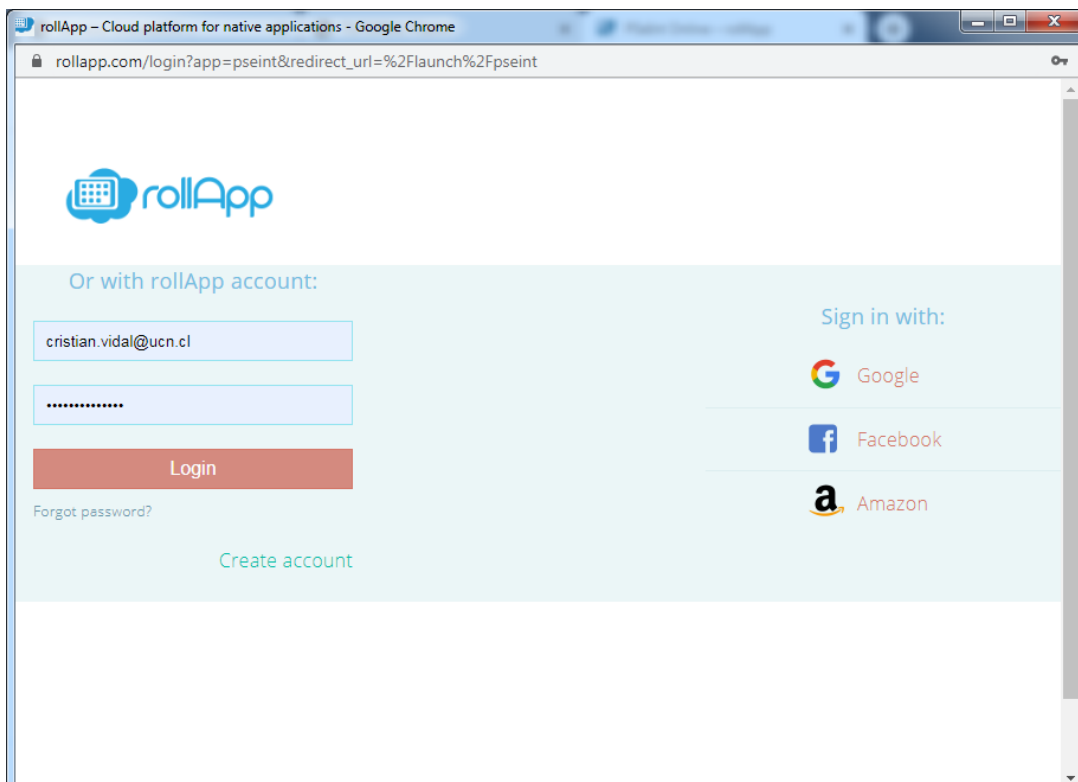

3. Al hacer click en “Launch Online”, se abre la ventana:

4. La opción “Signup” es para registrarse mientras “Login” es para acceder si ya estás registrado.

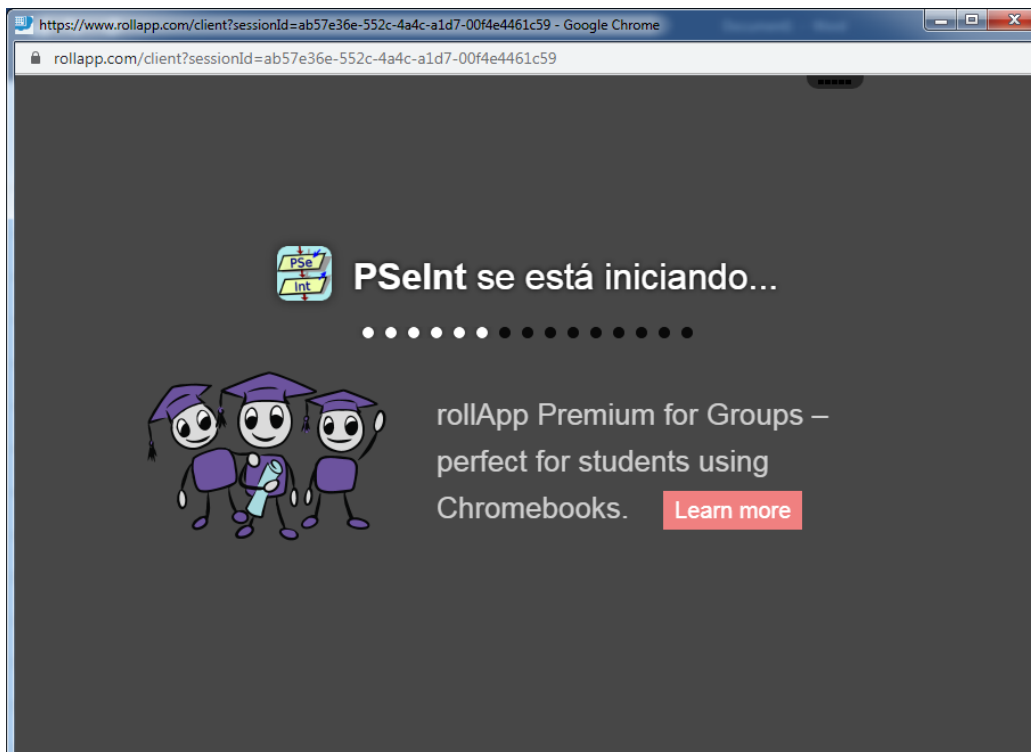

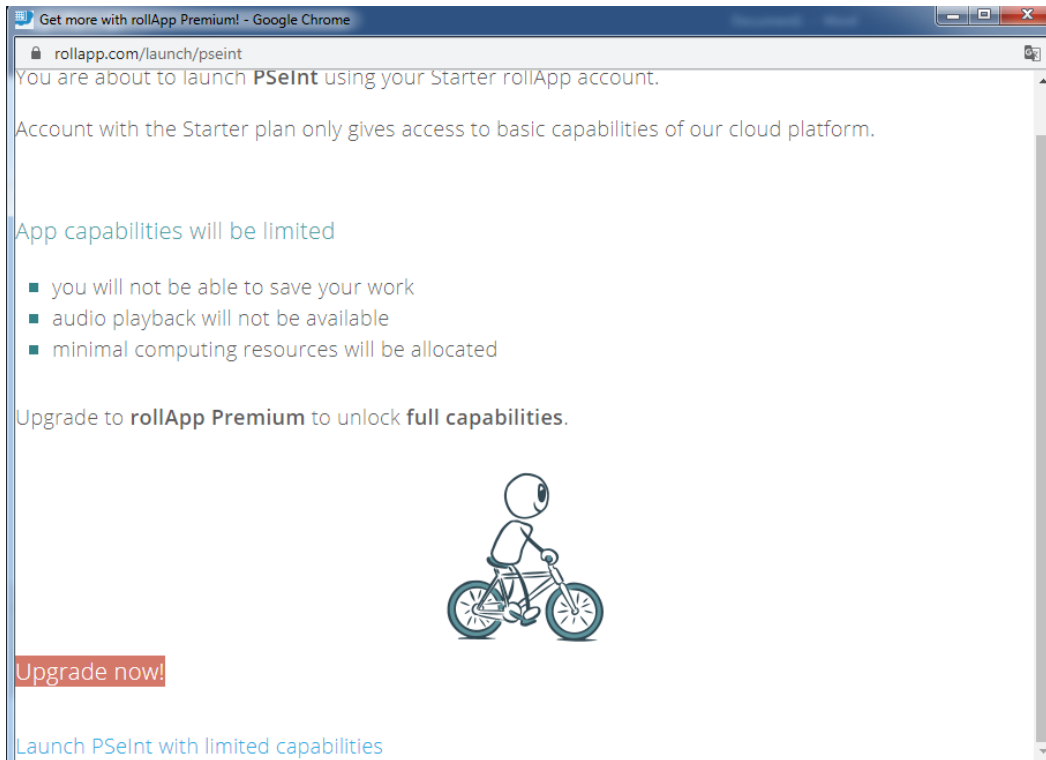

The screenshot shows the rollApp signup page in a Google Chrome browser. The address bar displays the URL: rollapp.com/signup?app=pseint&redirect_url=%2Flaunch%2Fpseint. The page features the rollApp logo at the top left. Below it, the text "Or create rollApp account:" is displayed. To the left of this text are three input fields: the first contains "CRISTIAN VIDAL SILVA", the second contains "cristian.vidal@ucn.cl", and the third is a password field with masked characters. Below these fields is a red "Sign Up" button. To the right of the input fields, the text "Sign up with:" is displayed, followed by three social media login options: Google, Facebook, and Amazon, each with its respective logo. Below the "Sign Up" button, there is a link "Already have an account? Login". At the bottom of the page, there is a small disclaimer: "By signing up you agree to rollApp's Terms of Service and Privacy Policy. This site is protected by reCAPTCHA and the Google Privacy Policy and Terms of Service apply."

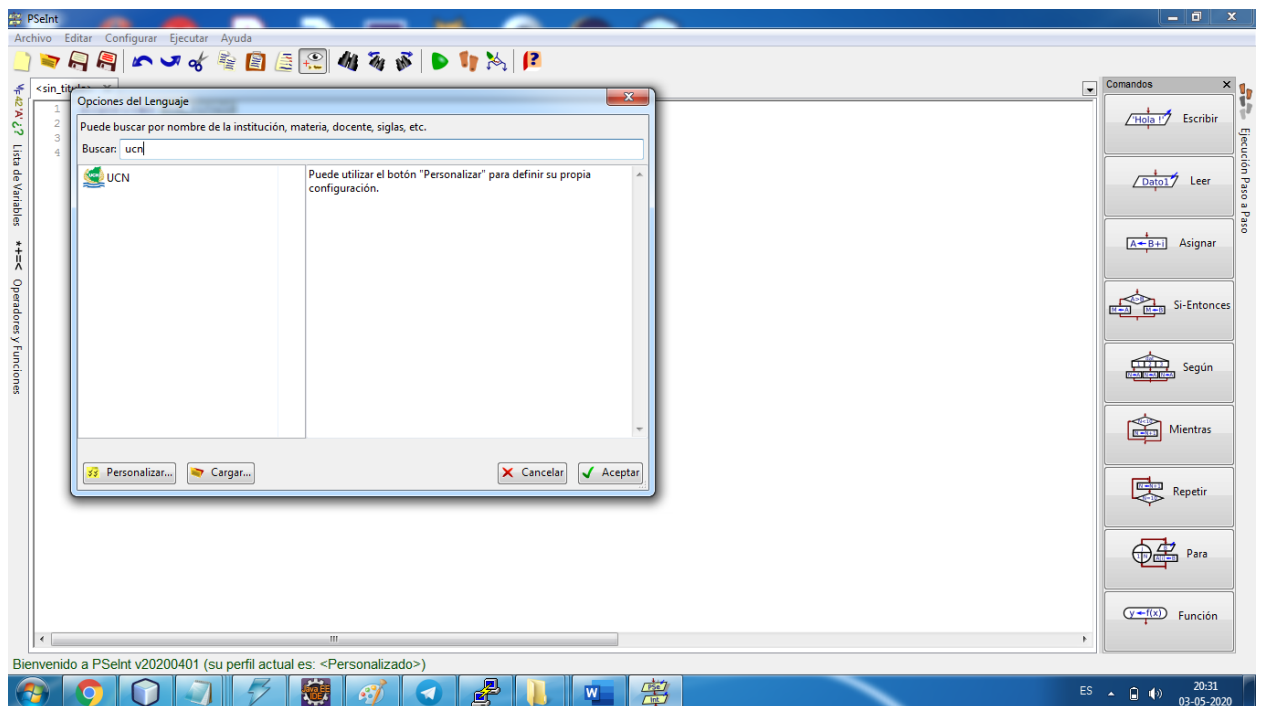

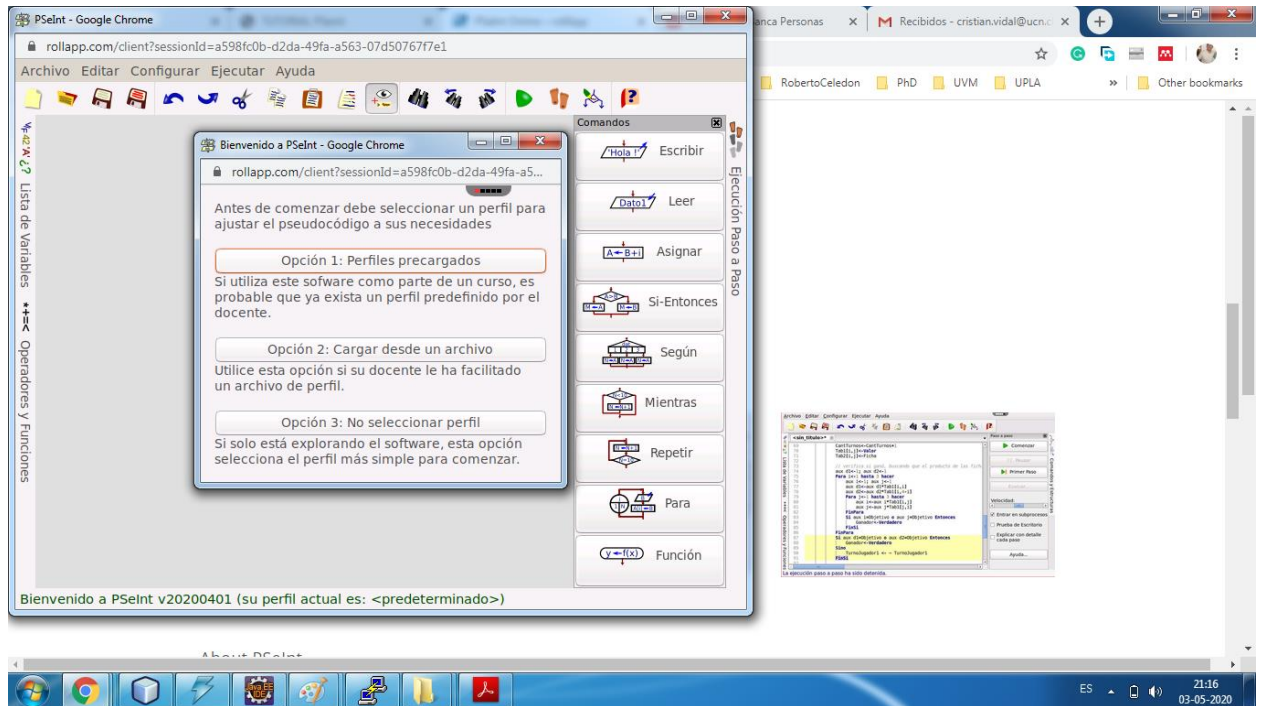

The screenshot shows the rollApp login page in a Google Chrome browser. The address bar displays the URL: rollapp.com/login?app=pseint&redirect_url=%2Flaunch%2Fpseint. The page features the rollApp logo at the top left. Below it, the text "Or with rollApp account:" is displayed. To the left of this text are two input fields: the first contains "cristian.vidal@ucn.cl" and the second is a password field with masked characters. Below these fields is a red "Login" button. To the right of the input fields, the text "Sign in with:" is displayed, followed by three social media login options: Google, Facebook, and Amazon, each with its respective logo. Below the "Login" button, there is a link "Forgot password?". At the bottom of the page, there is a link "Create account".

- Entonces, se abrirá una página que sugiere acceder a cuenta “premium”, pero debe hacer click en el link de más abajo (“Launch Pselnt with limited capabilities”).

6. La primera vez que se abre, nos preguntará si deseamos cargar “cargar” algún perfil de lenguaje. Elegir perfil precargado y seleccionar UCN (es sólo un alcance de nombre).

7. Entonces, ya se puede usar PseInt online!
